Notification by the Government of India.

DEPARTMENT OF FINANCE AND COMMERCE.

ACCOUNTS AND FINANCE.

No. 211.

Simla, the 26th April 1880.

READ again—

Financial Resolution No. 3042, dated 17th October 1879, in clause 4, paragraph 2, of which it was prescribed that the daily balance sheet of treasuries should be signed by the Treasury Officer on the evening of the day itself to which it refers.

Read—

A letter from the Government of the North-Western Provinces and Oudh, No. 297, dated 23rd February 1880, and enclosures, representing that it will be inconvenient to carry out the order, as the treasury must either be closed earlier than usual, at the sacrifice of public convenience, or the Treasury Officer detained at office long after office hours, in order that the balance sheet may be signed and verified on the evening of the day to which the transactions refer; and recommending a revertion to the old practice of verifying every morning the balance sheet of the preceding evening before the cash transactions begin.

RESOLUTION.—The Governor General in Council accepts the recommendation of the Local Government. The Treasurer and the Accountant should, however, take care that their accounts agree before the office is closed for the night; and the Treasury Officer should satisfy himself before the work of the next day begins that this agreement has been effected. It will be proper that from time to time,—as, for instance, before a holiday,—the Treasury Officer should verify the books before the office closes.

ORDERED.—That the foregoing Resolution be communicated to the several Local Governments and Administrations; to the Comptroller General, and to the several Accountants General, and Deputy Accountants General in independent charge.

J. E. O'CONOR,
Asst. Secy. to the Govt. of India.
